

Rabbi and Mrs. Moshe Kosman Torah Learning Center

Over the years, many of our Shoresh graduates have come back to visit us, referring to us as the staple of their spiritual development as Jews. They recall with fond memories the many years that they spent at Shoresh and tell us that they are glad to have visited so as to stay tied to their Jewish anchor. It is for these graduates, as well as for our current kids, teens, and adults, that we are establishing a permanent home for Shoresh, a fixed place to which they know they can turn for Jewish learning, enrichment, friendship, and growth.

The focus of our site will be a 5,000 sq. ft. two-story community center. It will be used for greeting, eating, meeting, acting, and playing. The lower level will function as the Rabbi & Mrs. Moshe Kosman Torah Learning Center, the "Kosman TLC." The Kosman TLC will be the epicenter of all our religious activities. It is where we will daven, learn, and study. It will include a fully stocked library with

the most current siddurim and seforim. It will have two sifrei Torah. We, at Shoresh, feel that there is no more fitting tribute to Rabbi and

Mrs. Kosman than to dedicate this Torah Learning Center in their honor.

We are therefore turning to you, our former and current staff members, campers, and camp families, in the hope that you who know first-hand the great work that Rabbi and Mrs. Kosman have done and continue to do over the past 40 years for

the Frederick community and Shoresh, will come together to dedicate the Kosman TLC in their honor. We will be placing a beautiful Etz Chaim plaque on the wall of the shul with the names of those individuals who contributed to this honor engraved on it.

It is our goal to have at least 500 leaves dedicated in honor of the Kosmans in order to bring this building to fruition. If Rabbi & Mrs. Kosman have ever had any impact on your life, this would be the perfect way to thank them.
